Subject: Greetings and appreciation

Welcome to the 2017 annual Association of Alaska School Board (AASB) / Alaska Public Entity Insurance (APEI) Maintenance Employees Conference! Thanks for attending this year's two-day conference.

Commendations are made to our hosts for once again coming up with interesting topics that relate to the everyday Maintenance and Operations (M&O) of our schools. The APEI and the AASB go above and beyond to ensure school district maintenance employees broaden their knowledge on how to run our schools safely and more effectively.

I also want to express my gratitude for all of your work and dedication partaking in our students' education.

As always, feel free to contact me or anyone from our department with questions you may have.
