Committee Basics

Testimony sign-in sheets are located on table outside door.

Invited testimony may be taken first then open to public comment.

You will be called on by Chair to testify by name from sign-in sheet.

Introduce yourself: Name, affiliation for the record. If not with a group, say you're testifying as a private citizen or on behalf of yourself & family.

What Makes A Good Testimony

Acknowledge your legislator if your representative or senator is on the committee.

Have a strong introduction, get to the point and be clear whether you support or oppose the bill.

Be specific. Do you support/oppose the entire bill or are there sections? Why? Tie to your own experience to make memorable and impactful.

Be respectful and be brief; keep to time limit and thank legislators for their time.

Final tips

Use Bill tracker https://www.akleg.gov/basis/btmf_login.asp

BASIS can give you an indication whether committee will be delayed or cancelled.

Call your legislator's office if they sit on the committee.

Reach out to your legislator out of session for meeting or invite to special events in community.

Get to know your legislative staffers.
