

2025 Grade 3-5 Student Survey

School Climate & Connectedness Survey (Students Grades 3-5)

We want to know what you think about your school. This is NOT a test. There are no wrong answers. The information from this survey will help us understand what you think about your school, and what we can do to make it a better place.

YOUR answers are confidential and anonymous. They will be combined with answers from other students.

This survey is voluntary. You do not have to answer any questions you do not want to answer, but we hope that you will answer as many as you can.

If you don't understand a question, please ask for help!

IMPORTANT: You need to click the SUBMIT button at the end of the survey for your answers to be entered.
