

AASB's 2025 Legislative Priorities

On behalf of our member school districts statewide, the AASB Board of Directors has adopted three legislative priorities: **Funding, Educators and Students.**

Our Mission: The Association of Alaska School Boards advocates for children and youth by assisting school boards in providing quality public education, focused on student achievement, through effective local governance.

Sufficient and Sustainable Public Education Funding

Sufficient, sustainable and stable funding is required to meet Alaska's obligation to provide quality, public education for every Alaska student. Educating Alaska's youth is the best strategy for successfully meeting and safeguarding Alaska's prosperity.

- ▶ **Increase the Base Student Allocation (BSA)** – AASB strongly advocates for the necessity of increasing the BSA as calculated by Legislative Finance to reflect inflation based on the Alaska-Urban CPI since the last major increase to the BSA in FY2011. From 2011 to 2025, the BSA increased by only \$280 per student (4.9%), while inflation rose by at least 34%. This discrepancy has resulted in severe staff shortages, school closures, and program eliminations.
- ▶ **Incorporate an annual increase in the BSA to account for inflation** – Provide by statute, for an annual increase in the BSA that provides some accounting for annual inflation and drives a philosophy of long-term investment in public education.
- ▶ **Increase funding for student transportation** – Student transportation funding continues to be inadequate. Transportation costs have dramatically increased due to inflation and labor shortages. Transportation funding must increase regularly to keep up with inflation and prevent the use of school district general funds.

Retention and Recruitment of Teachers, Administrators & Staff

School districts face an unprecedented crisis of retaining and recruiting qualified, effective teachers, administrators, and support staff which seriously hinders providing Alaska students with a quality education.

- ▶ **Implement recommendations** - of the Teacher Recruitment & Retention Task Force.
- ▶ **Reinstitute a competitive retirement program** - including both defined benefits and defined contributions.
- ▶ **Invest in teacher housing** - required for nearly all rural school districts.
- ▶ **Grow Alaska teachers and administrators** - work with partners, universities, and apprenticeship programs to improve and expand teacher training programs, teacher-mentor programs, and alternative certification pathways.

Student Wellness and School Safety

Alaska's public school students face a range of challenges that impact their wellness and safety, including academic stress, mental health issues, bullying, violence, sexual abuse, and lack of access to resources like counseling and social services. Violence, neglect, and sexual abuse have increased, resulting in reduced social-emotional well-being and academic achievement.

- ▶ **Address student mental health - Support and fund** mental health services for all Alaskan students, including trauma-engaged practices in Alaska schools.
- ▶ **Prevent student sexual abuse by school staff** - Support the implementation of policies and training regarding professional boundaries between staff and students.
- ▶ **Reduce school and student violence. Support and fund** the needed programs and services that work to improve relationships, communication, respect, and dignity as a few examples.
