

Charter School Academic Policy Committee Workshops

AASB is offering *two, on-site* workshops for Academic Policy Committees. These workshops are designed to enhance the APC's boardsmanship skills and guide the APC through a recognized planning process to help the Charter School reach its goals.

Through these on-site workshops, you can help your Charter School's Academic Policy Committee work more effectively.

Academic Policy Committee Workshops

These workshops are designed to enhance the Academic Policy Committee's (APC) Boardmanship skills and guide the APC through a recognized planning process to help the Charter School reach its goals. The Boardmanship and Priority Setting workshops are provided on-site by AASB.

Contact AASB for more information.

Boardmanship Workshop

This workshop can be conducted with one charter school or all charter schools in your district. The purpose of the Boardmanship workshop is to help APC members work together with their school and district in promoting educational excellence. This workshop can be tailored to fit the school and district needs. Topics covered include:

- Examination & Discussion of Board Standards
- Charter School Law
- Charter School & School District Communication
- Policy, Procedures & Practices
- What Impacts Decisions Made in Schools?
- Effective Meetings
- Roles & Responsibilities
- Alaska Open Meetings Law
