

DANCING WITH THE SPIRIT MUSIC LESSON and/or INSTRUMENT REQUESTS

Dancing with the Spirit, our village music program, has a new FREE virtual music curriculum for everyone! Go to <https://www.dancingwiththespirit.org> and download Volume 1 that includes 27 song videos plus 29 fiddle and tuning videos--and song words, colored chords, and fiddle tab (be sure to use a colored printer). Plus we have HOLIDAY SONG VIDEOS We also have funding to have our staff help with some weekly or occasional starter lessons—and/or answer phone and tuning questions. Some schools already have instruments. For those that need more instruments, we have funding to buy \$100-\$2000 worth of instruments per school for at least 30 village schools that want to develop a program to involve more students in playing music. Call Josephine Malemute at 907-978-9716 or email her at dancingwiththespiritak@gmail.com to find out how your community can participate.

School Name _____ School Contact Person _____
