

‘Legislative Buddy’ Networking

Greetings Fellow Board Members!

Thank you for an awesome communication meeting last Tuesday! As discussed during the meeting, please use the list below to identify your assigned **‘Legislative Buddies’** for this legislative session. This board networking activity will replace the annual Fly-in and will help us to collectively do the following:

1. continue to build positive relationships with all of our Legislators;
2. continue to tell our stories;
3. provide timely updates and current information on ASD needs, programs, services and activities;
4. share and discuss our 2021 Legislative Priorities (including our Goals & Guardrails);
5. discuss and share information related to upcoming Bills.
